

Planning Your Field Trip

For SBMM school field trips, we split into groups, each led by a docent, with no more than 15 children in a group. We need at least two weeks notice to organize a field trip and to ensure we can schedule docents on the day of your trip.

If the bus is running late, or something prevents you from getting here on time, please contact us at (805) 456-8748 as soon as possible. During the tour, we ask that chaperones put cell phones away or on vibrate. Photos are allowed without a flash.

For questions, contact Jesse Baker, Guest Services Coordinator, or call (805) 456-8748.

Register at sbmm.org/tour to arrange a field trip.
