Channel Islands National Park Presentations & Trips

Welcome. We invite you to become a member of SBMM’s Navigators Circle.

The Navigators Circle is a distinguished group of philanthropic individuals, organizations, businesses, foundations, and civic leaders working together to support SBMM, including its youth education programs, lectures, exhibits, outreach, and research.

Due to the COVID-19 closure in 2020, we are unable to count on admission, event rentals, and merchandise sales to provide earned income. This fiscal year we must raise more than \$1.2 M in charitable gifts and grants to support operations.

Please Join the Navigators Circle Today!

We invite you to become a member of the Navigators Circle for 2021/22 by making a contribution in one of eight tribute categories.

Mark V	\$100,000 and up
Admiral.....	\$50,000 and up
<i>Ranger</i>	\$25,000 and up

Tomol.....	\$5,000 and up
Islands*	\$2,500 and up
Marina	\$1,500 and up
Explorer.....	\$1,000 and up

*Donors committing \$2,500+ annually receive additional benefits to membership.

Sponsorship gifts for new exhibits and special events will be recognized separately. SBMM is a 501(c)(3) #77-0392953, and all gifts are tax deductible.

Educational Programming

Navigators Circle members contribute vital funding to ensure SBMM provides educational programming for all ages online and in-person. With creativity, innovation, and technology, SBMM is redefining its programs and reimagining ways to continue to serve and educate the community safely. We are proud to continue our important work over the next year by:

- ✿ Bringing maritime education and history to life for 8,000 students annually
- ✿ Expanding [youth educational programming](#) to online platforms and formats, including Maritime on the Move, Marine Science, Girls in Ocean Science, Ocean Connections, Tall Ship Program, Love Letters to the Sea and [SBMM at Home](#)
- ✿ Offering our renowned monthly lecture series exploring topics such as great white sharks, the history of the Santa Barbara Harbor and the Channel Islands, plus recordings of [past lectures](#)
- ✿ Building a uniquely curated presenter series for its Navigators Circle and Flagship Society members
- ✿ Developing an online Docent training module
- ✿ Achieving AAM accreditation, demonstrating best practices for museums nationally
- ✿ Preserving, displaying and celebrating the *First-Order Fresnel Lens from Point Conception Lighthouse*
- ✿ Cataloging, preserving, and presenting important local maritime artifacts through physical and online collections like the [Dwight Brooks Model Collection](#)
- ✿ Bringing traveling shows like Arthur Beaumont's *The Art of the Sea* exhibit
- ✿ Installing new exhibits and upgrading and repairing existing exhibits
- ✿ And much, much more!

Maritime on the Move

Maritime on the Move brings museum-quality maritime related experiences to locations throughout Santa Barbara County. The adventures begin outdoors and incorporate engaging activities to enjoy while exploring local ecosystems and biomes. Each activity can be tailored to meet individual needs and adapted for all ages to provide an unforgettable educational experience.
